REMEMBER to wash your hands
After bathroom trips.
Soapy says to wash those hands,
Down to your fingertips.
REMEMBER, REMEMBER, REMEMBER don't forget,
Follow Soapy and Sudsy's rules.
Stay as healthy as you can get.

REMEMBER to wash your hands
After playing outside, too.
Sudsy says to wash your hands,
It's the best thing you can do.
REMEMBER, REMEMBER, REMEMBER don't forget,
Follow Soapy and Sudsy's rules.
Stay as happy as you can get.

REMEMBER to wash your hands
After playing with your pets.
Playing with them is good fun,
So make sure you don't forget.
REMEMBER, REMEMBER, REMEMBER don't forget,
Follow Soapy and Sudsy's rules.
Stay as healthy as you can get.

REMEMBER to wash your hands
When you sneeze or cough.
Sudsy says to wash your hands,
To wash those germs right off.
REMEMBER, REMEMBER, REMEMBER don't forget,
Follow Soapy and Sudsy's rules.
Stay as happy as you can get.

REMEMBER to wash your hands
For the best reason yet.
You're important as can be
So REMEMBER don't forget.
REMEMBER, REMEMBER, REMEMBER don't forget,
Follow Soapy and Sudsy's rules.
Stay as healthy as you can get.
